all the certificates are uploaded there

HOBBIES

- ➢ Cricket
- ➢ Designing with color
- ➢ Sketching

SUMMARY

Being top on my department in my Institute, I am having quick learning ability and knowledge of soft-skill as well as I am adaptive in nature. As everything is currently progressing rapidly in IT industry I've learnt some technologies to develop my skills like python and web-development. Not being a Cse-It student I can do work on these technologies.
